Dear Professor Craig and members of the SONG Executive Committee

Invitation to endorse and use the SONG core outcomes in haemodialysis and transplantation

Thank you for your letter of 19 June 2017. I am very pleased to report that, on behalf of European Renal Best Practice (ERBP), and with the strong support of its Advisory Board, I can endorse the SONG core outcome domains and give permission for ERBP endorsement to be listed on the SONG website (www.songinitiative.org).

We look forward to using the SONG core outcomes in relevant ERBP guidance.

Kind regards

Yours sincerely
